HUDSON'S BAY EAGLES
VANCOUVER WASH

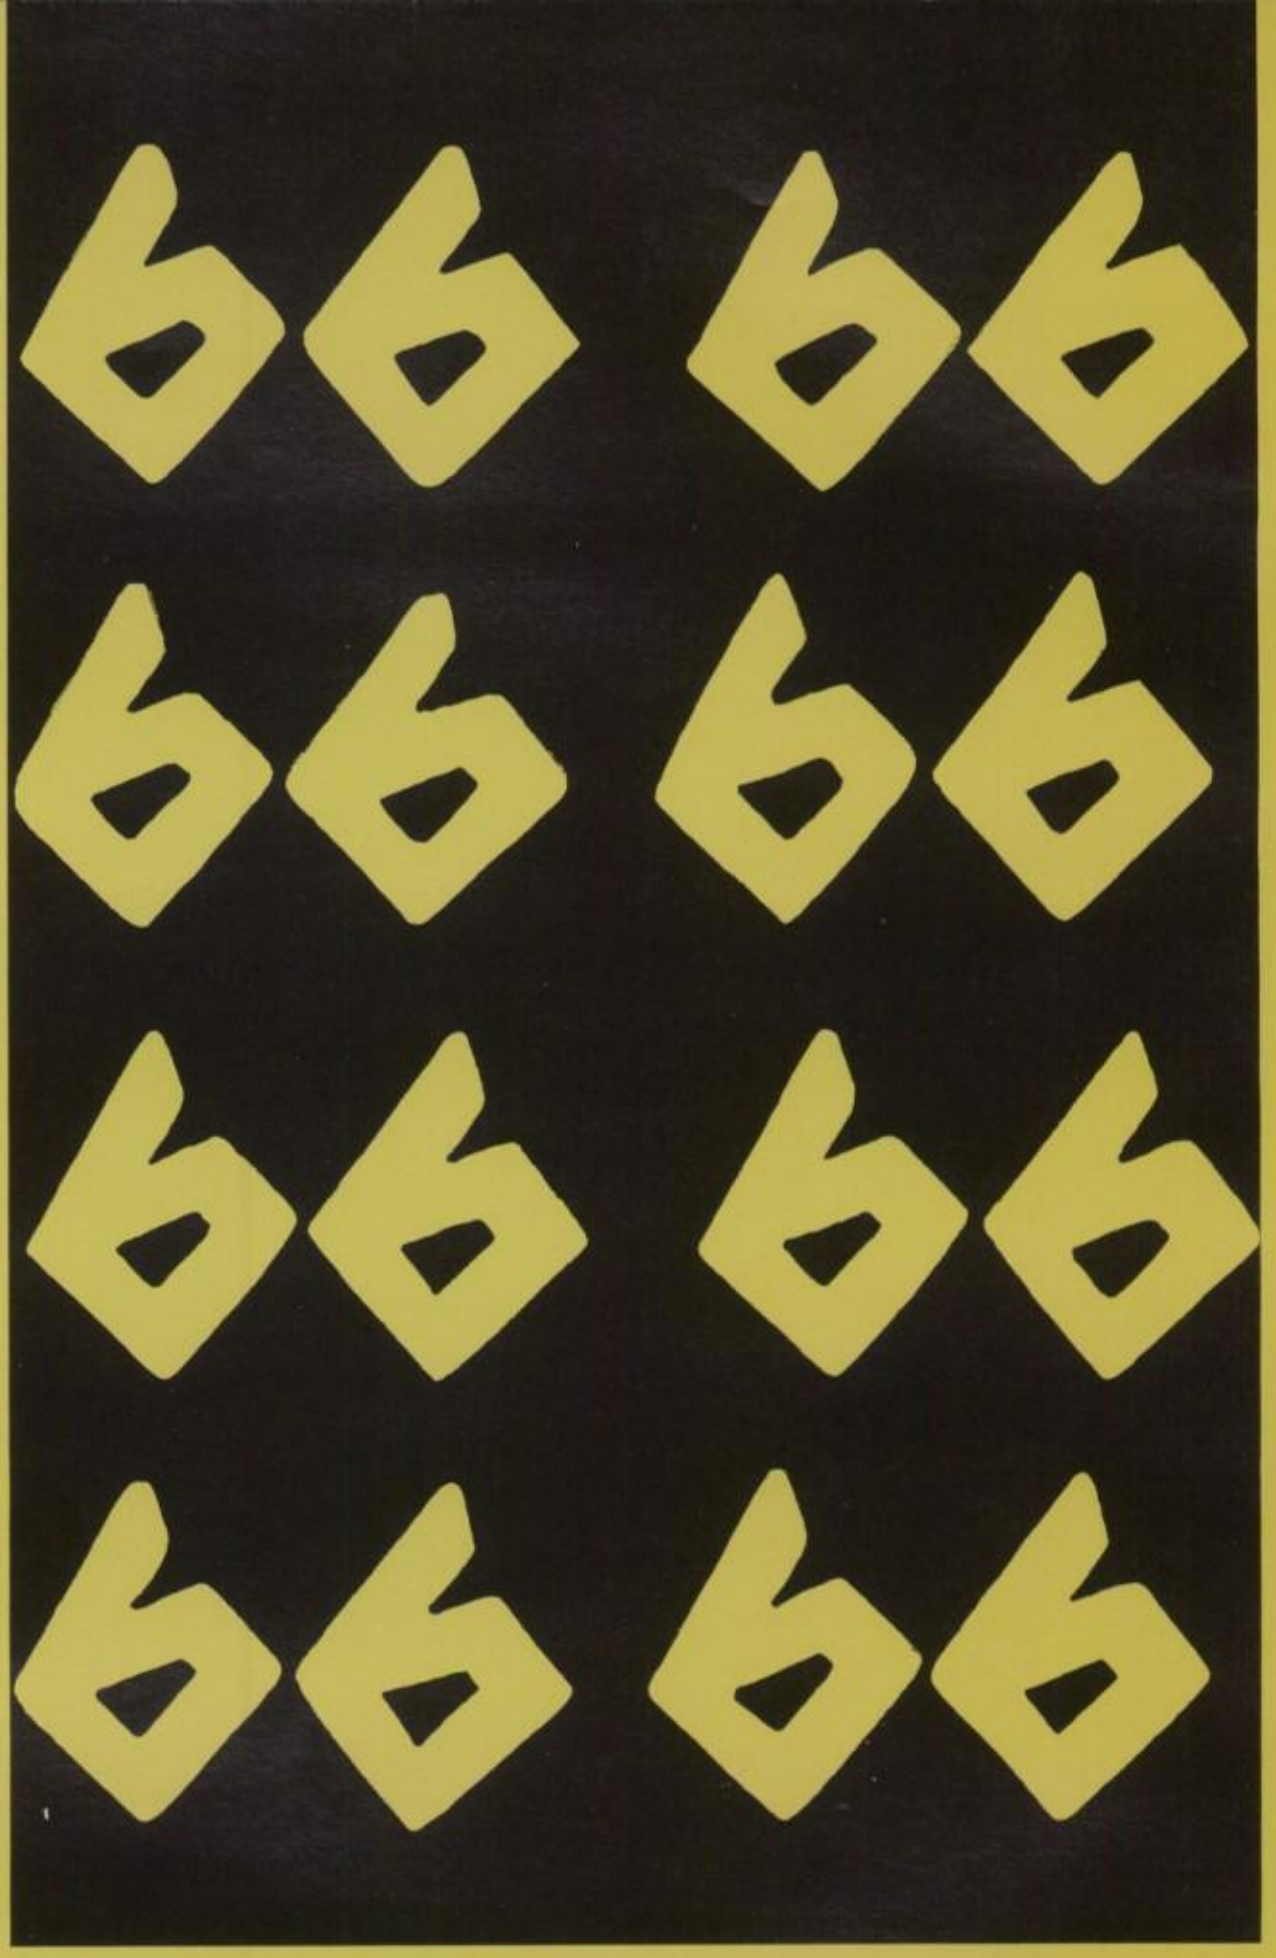
I'm an eagle born

And an eagle bred

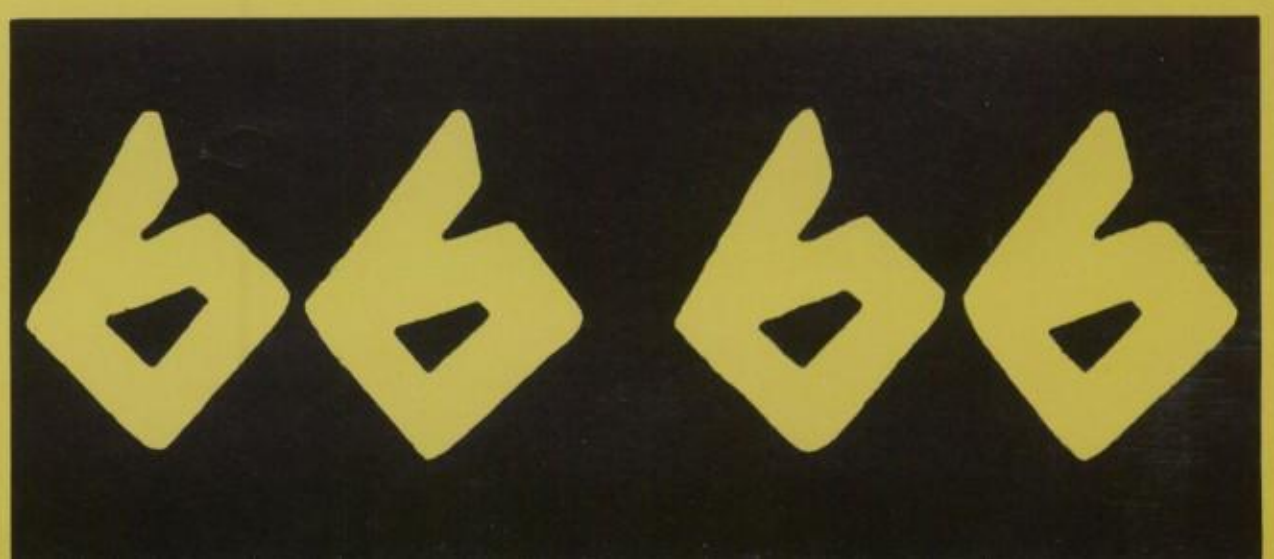
And when I die,

I'll be an eagle dead.

J. Upton



ADMINISTRATION



Bay

Dear Students of Hudson's Bay:

It has been said that on the one hand, learning is the sum total of what is known, as that which is handed down by books and learned men. . . On the other hand, learning means something which the individual does when he studies. As you ponder the latter, it does seem a pity that things weren't so arranged that an empty head, like an empty stomach, wouldn't let its owner rest until he put something in it . . . . .

When you read this you will each have completed another step in your life to the future. We hope that as you reflect on your past experiences, you will find that we as a faculty - - either individually or collectively - - have helped you in your quest for learning. Certainly, it has been our sincere desire to assist you in this avenue; to urge you to take advantage of the opportunities available for you by which to pursue and explore your interest.

We are hopeful that you remain, always, anxious to establish for yourselves a record of performance which will make each of you--and all of us proud. And may I urge you, in the spirit of your alma mater, to bear in mind her motto of truth: "Tibi Esto Verus." Good luck to you in whatever you may do and wherever you may go.

Very truly yours,

Paul Gutierrez

District administration governs

Vancouver School District No. 37 is designated as a first class district under Washington State laws and conducts its business under a constitutional mandate and legislative statutory provisions. For this purpose, the School Board of Directors establishes goals and objectives for Vancouver schools and evaluates general school policy. The board consists of five members elected to serve four-year terms for no salary. In the absence of Mr. Robert C. Bates this year, Acting Superintendent of Schools Mr. Robert Simpson furnished professional leadership as the board's chief executive officer and supervised the general administration of the school system. Serving as Interns to the Superintendent, Mr. Paul Gutierrez, and Mr. Ford Hoke, directly executed policy while Mr. Simpson was busy with the formation, interpretation and evaluation of policy.

Mr. Gutierrez and Mr. Hoke were also Directors of Secondary Instruction. Director of Elementary Instruction Mr. Elmer Lindquist, Director of Special Programs in Education Mr. John Hungate, Director of Personnel Service Mr. Robert Levy and Director of Physical Facilities Verlan Pinson complete the list of policy administrators. Business affairs were tackled by the Business Manager Donald Light and his assistant Irvin Lund. The area of supervision was handled by the supervisors of instructional materials, physical education, art, music, student teachers, lunchrooms and maintenance.

School Board of Directors, seated left to right, are Mr. John Hagensen, Chairman Mr. Richard Smythe and Mr. Sidney Craford; standing left to right, Mr. Kenneth Shelton and Mr. Duane Lansvrek.

A challenge of the school is to define and implement the curriculum and to provide the materials, supplies, equipment and facilities which most effectively accommodate the learning process. Here, Mr. Simpson examines distributive material.

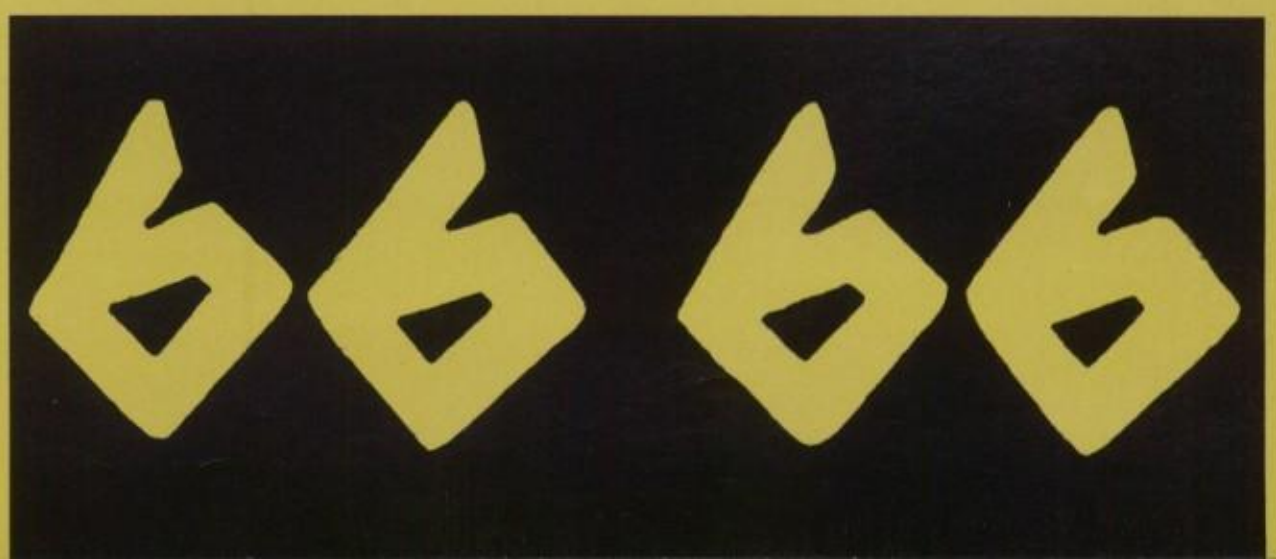
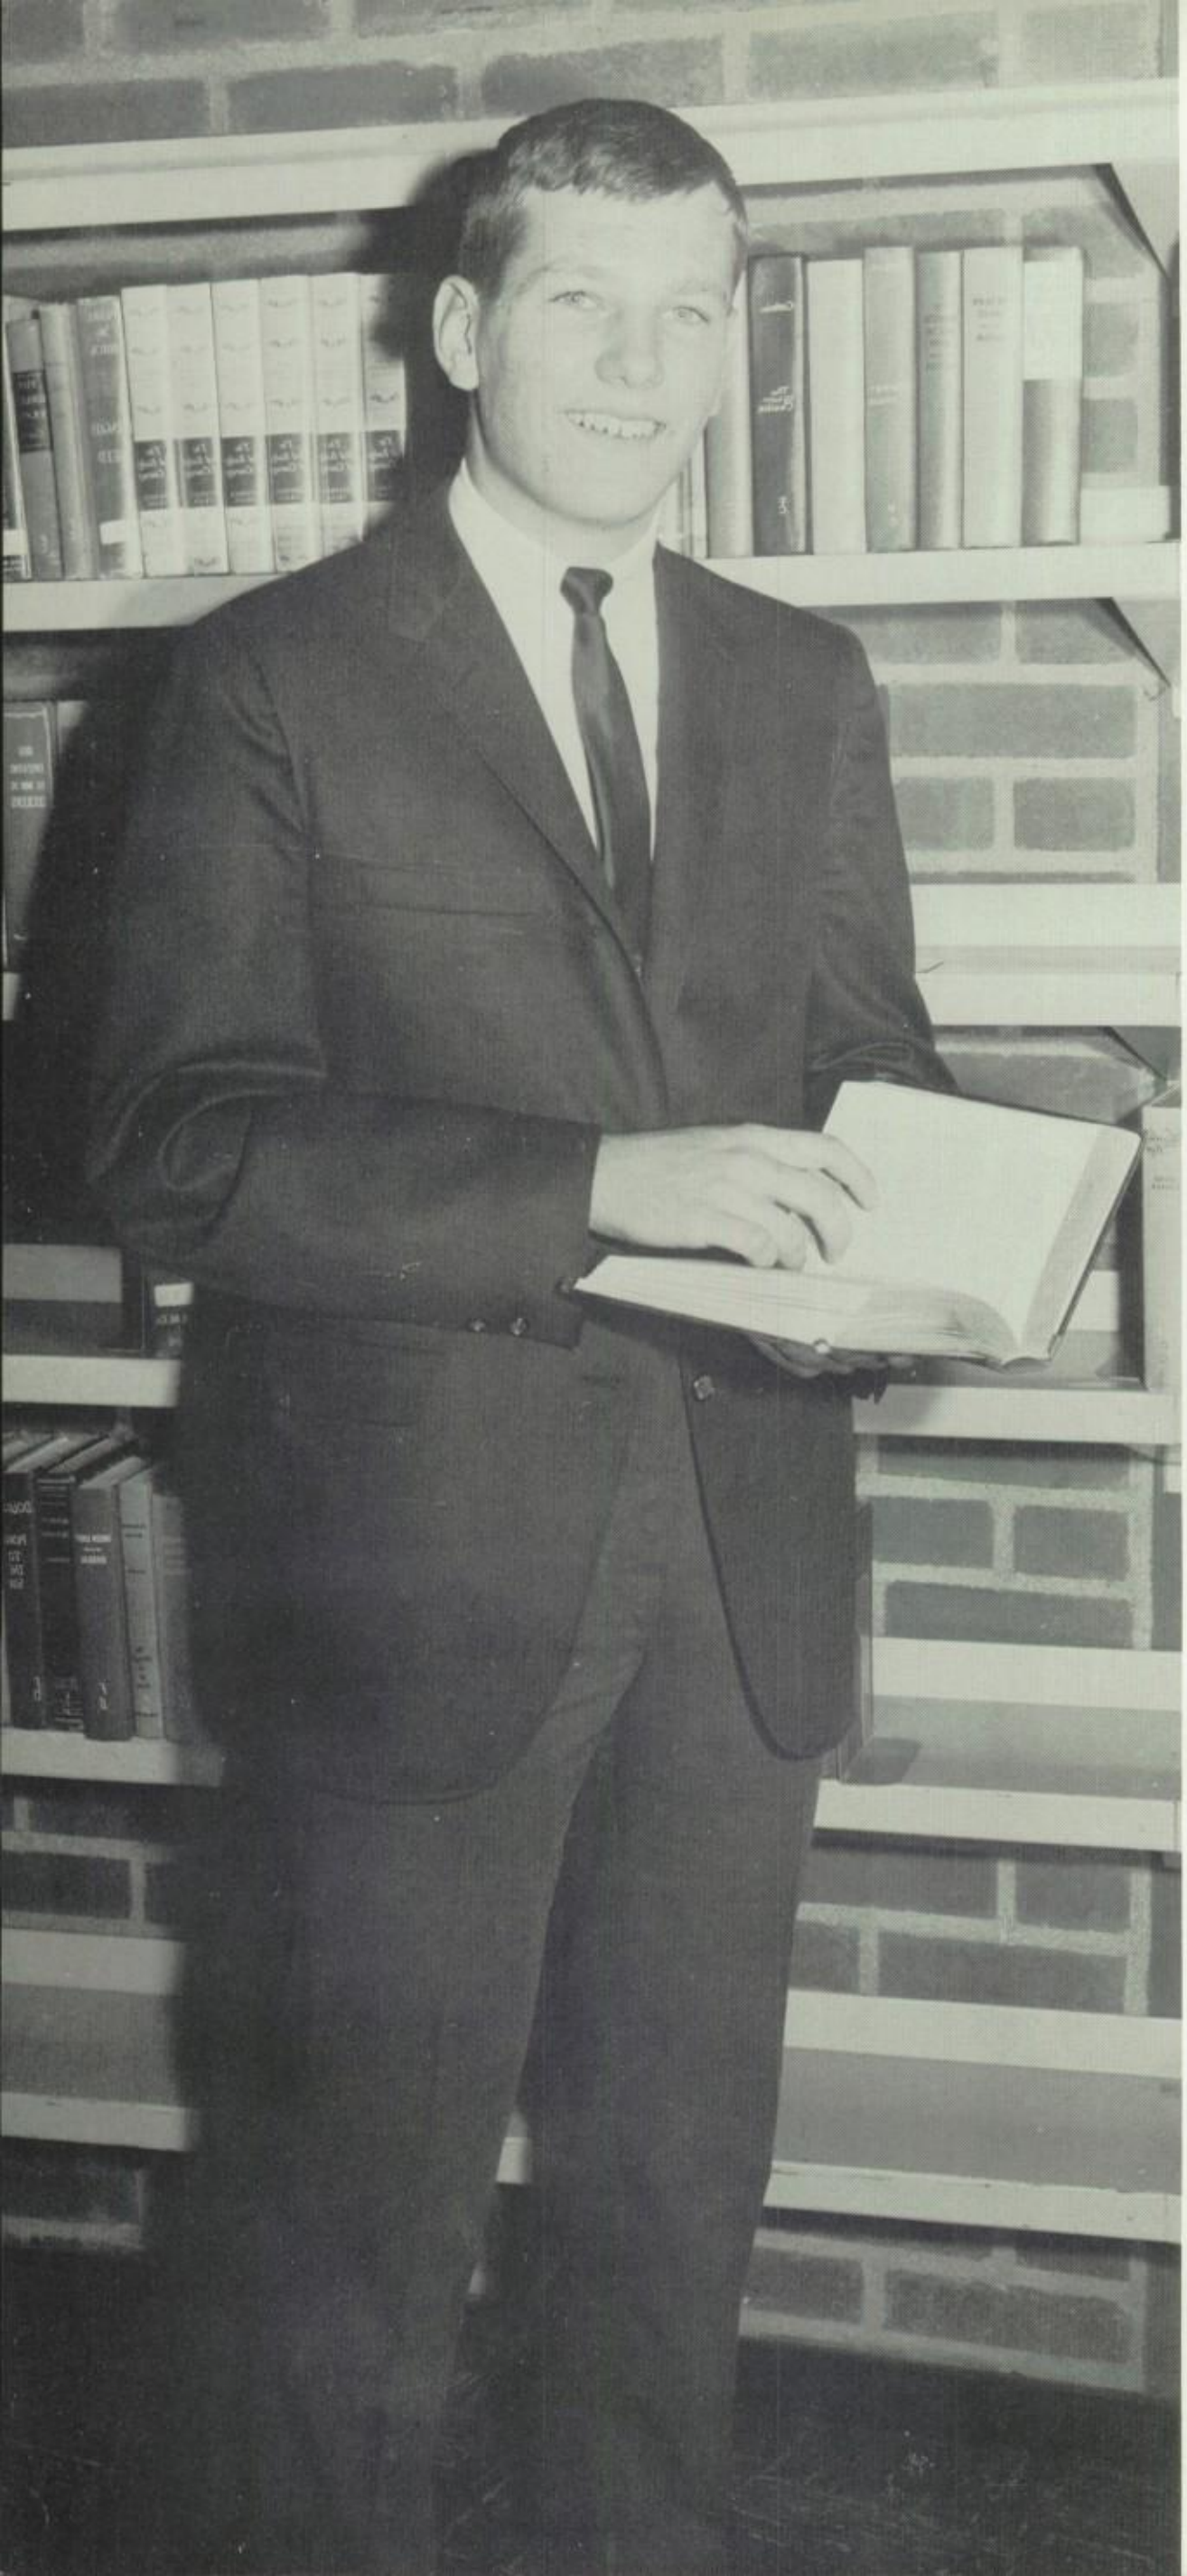
AFFILIATIONS





ASB

Each year the students of Hudson's Bay have initiated and completed projects for the betterment of the school. This year the entire student body's energies have been directed toward completion of the Student Center. The hard work contributed, especially from the Class of '66, will benefit incoming Eagles. The Student Congress has also played a most significant role in work of the Student Center, such as the candy sales.

Throughout the year, independent study halls have presented a new and challenging program at Bay. They were primarily set up to furnish an opportunity for students to get help from teachers in a particular field: science, social studies, and English. After a slight variation it turned out to be very successful.

In February, the student body voted to join Inter-High Council with Fort Vancouver and Columbia River. Eighty per cent of the students voting were in favor of the decision. As a result of this move, Bay Inter-High Council representatives feel that many broken ties between the schools are being mended. It is my hope that the three schools can continue to work harmoniously as has been evident the last half of this year.

I feel that this year has been productive for the entire student body. I hope the student governments in the future may enjoy the same rewards.

Enthusiasm plus organization makes

The words to describe this year's Girls' League officers were enthusiasm and organization. An activity was planned each month in which all girls could participate. The month of September brought the annual Big-Little Sister Party. Junior girls were given the names of incoming Sophomore girls. The "little" sisters were then given a brief idea of the clubs and activities at the Bay. October was the month for installations as Kathy Eaton, last year's Girls' League president, came to install this year's president, Carolyn Brill. The theme of the Girls' League Mix held in November was "Under the Big Top". Prizes were awarded to the girls with the best costume creation.

December was filled with the sound of snapping pictures as the annual Santa Snap was once again under way. Hal Anderson and Jim Hellyer were the girls' chosen Santas. Tolo, the man event of the year, came in February. King Tim Alexander reigned over the Tolo dance, the climax to the week's activities. Mrs. Ruth Berg spoke on the topic of the woman's role in today's world and the importance of femininity at an April assembly.

Boys sponsor many activities

Boys' League started this year with the annual Get-Acquainted Dance jointly sponsored with the Girls' League. Color Day in October was the second BL activity and for this project they visited Vancouver merchants and obtained prizes, which were awarded to students wearing the best costumes displaying Bay's school colors.

The successful Christmas Ball with its "Enchanted Sleigh Ride" theme was the main event for the year. Snowflakes and a sleigh decorated the cafeteria in which Victor Rehnfeldt was selected to reign as king.

There were three informative assemblies this year for the Boys' League members. A general assembly was called in which the boys were given the school policy principles and a speech was made by Miss Constance Kirwin about both scholastic and athletic scholarships available to boys. Later in the year Craig Raymond, Class of '63, talked of his experiences while on the Brigham Young University basketball team. The girls were invited to the third BL assembly where Mr. Whitey Coker was the guest speaker. He told of his experiences while in Viet Nam as a news correspondent.

world is a stage

After long weeks of deliberation, William Shakespeare's famous quote "All the world is a stage" was selected as the Drama Club's motto for future years. The emblem found on the drama room door was painted and designed by member Bill Boyd.

Drama Club had two particularly unusual activities this year. Shining shoes to raise money managed to pay off in a profit of $5.05 after a week of hard work. The slogan the members used to keep step was "A nickel a shine and two for a dime!" The other event held was a hayride in the middle of February. Although there was a small turnout on this cold wintery night, the members did have fun. Adviser and chaperone Miss Catherine Rau concluded that this was one of the coolest events the club has had.

The silhouette of busy hands at work painting publicity posters for a drama event were often seen in the art room.

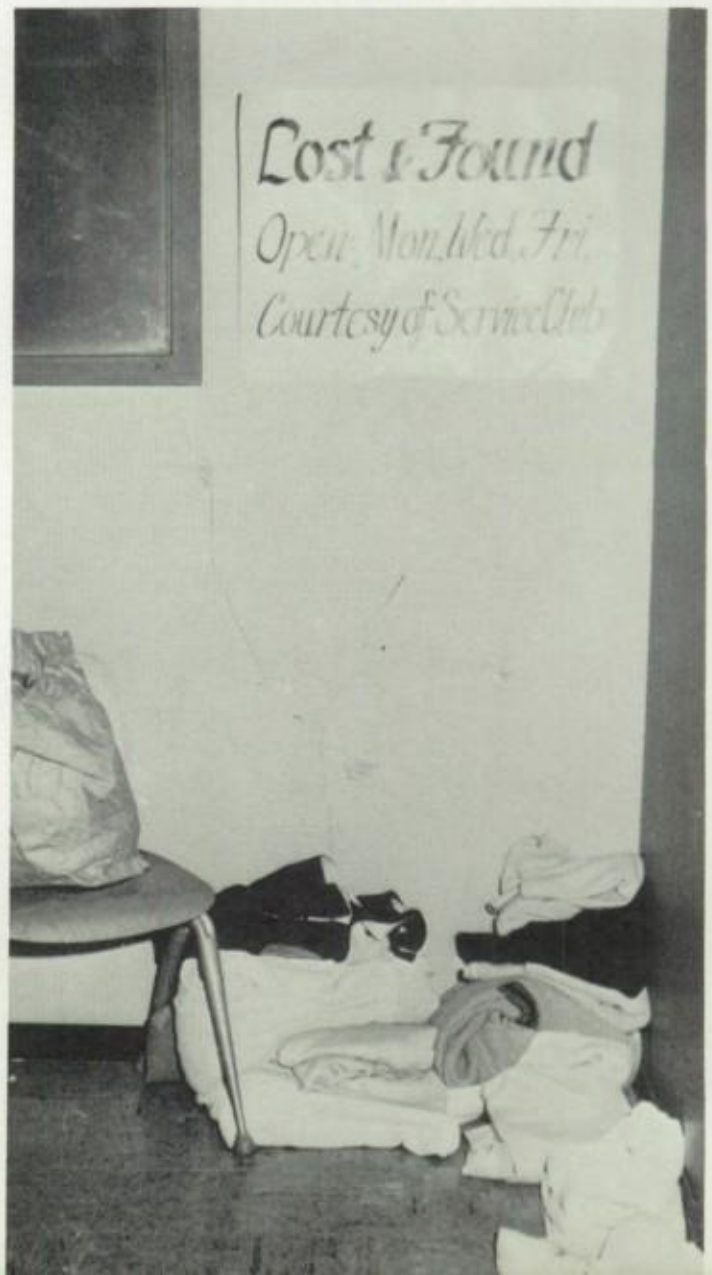
Mr. John Marshall advised the club this year.

Service given by club

This year's Service Club, headed by Alan Rose, was very busy. Not only did they sell tickets for the usual home ball games, but they also took care of the selling of programs. Along with this project they cleaned all of Kiggins Bowl.

The club sponsored the Hootenanny held in March. The language club groups, the folk singers and the teacher's arrangements made the show a success. Service Club members also donated their time to help in the Blind School library.

One of the many services performed by the Service Club was the Lost and Found located in the 500 wing.



Many great ideas came from meetings led by Alan Rose.

This year's foreign exchange student, Victor Rehnfeldt, was unanimously named an honorary member by the members of the Spanish Club. At Christmas time he enjoyed a party held at Sari Smith's home. All the members celebrated the season in true Spanish fashion. Later in the year the members participated in the Hootenanny. They also, after many meetings and group plan-sessions, sold enough Almond Roca candy to eat out at the Taco House.

Bay captures six wins

Bert Allinger and Don Iverson are varsity coaches.

This year's football team was one of which Bay can be proud. Although the team lost its traditional game with Fort Vancouver 9-0, it still finished third in the league and proved to be one of the best teams in Southwest Washington. Playing exciting football all year, the team was led by the "Black Marya" defense which yielded only 40 points to the opposition for the season. Highlights of the year were the ties with Grants Pass, who reached Oregon's semi-finals, and R. A. Long, who won the Southwest Washington League title.

Led by All-Conference first team tackle Jim Hellyer, the Eagle team also included Bruce Casaw, Louie Herdener, Jim Holland, Greg Marshall, Stu Singleton and LeeRoy Shults on other All-Conference teams. Other seniors who helped Bay to a 6-2-2 record, the finest since the 1961 league championship, were Hal Anderson, Art Carlson, Jock Demme, Mickey Eccles, Tom Erickson, Gary Fadling, Scott Harper, Jerry Joshua, Fred Kellogg, Doug Kern, Steve Newton, Coley Odegard, Larry Skaar, Dave Thorn and Jon Wiseman.

Cagers finish second

Without the starting quintet of the 1965 League championship team, it took several games for Coach Don Iverson to find a winning combination this year. The Eagle hoopsters ended the season by tying R.A. Long for second place with an 8-4 record and an overall 11-10 record. Bruce Johnston's and Louie Herdner's shooting plus Dave Polk's rebounding gave the Eagles their attack, but captain Stu Singleton set the pace with his all-around playing.

Six seniors including most inspirational player Tom Erickson, Jim Hellyer, Curt Nettles, Polk, Dave Thorn and Tony Tosti as well as juniors Herdener, Johnston, Dave Moldenhauer, LeeRoy Shults, Singleton and most improved player Mike Veach made up Bay's varsity cage team.

Junior Don Stewart was selected as captain and most inspirational golfer for the 1966 season. The other key golfers were Bill Bolen, Pat Tate and Jeff Weinstein, who only lost seven matches between them all year. Seniors who earned their varsity letters were Lonny Hayrynen, Rich Lane and Weinstein; juniors Bolen, Russ Dillman and Stewart; and sophomores Stuart Fulton and Tate.

Track girls set new records

Bay's female track team had a very successful year running against Fort, Columbia River, Evergreen, Milwaukie, Clackamas and David Douglas. The girls placed first in all meets but one where they took second against nine Oregon schools in the Milwaukie Invitational. The Hudson's Bay Invitational, with 11 other Washington schools competing, resulted in a resounding victory for the Eagles when the Bay girls compiled a 156-point total compared with their nearest rival's 51.

Two girls breaking individual school records this year were senior Jean Shropshire in the shot put with a 32'4" toss and junior Lori Young in the high jump with a 4'7" leap. The 440-yd. relay team of senior Phyllis Carter and sophomores Genie Harris, Ann Hathaway and Mary Murray set a new School record at 52 seconds flat, .5 seconds over the official national record.

The music of Handel, Brahms and Copeland was heard at the Fall Concert, as well as Karen Nelson in the moving spiritual "I Want To Be Ready." In the winter program, choir alumni were traditionally invited to sing "The Night Before Christmas." May brought the annual Spring Concert and a variety of song. The "B" Choir often joined with the A Capella to serenade appreciative audiences.

The choral group participated in exchange concerts with Grants Pass and Battle Ground, and sang for the Dads' Club Dinner, the Thanksgiving assembly and Baccalaureate.

superior

Bay's Orchestra and Concert Band made memorable music as they performed at the traditional Fall, Christmas and Spring Concerts and special assemblies. Concert and Stage Bands played to a full house in an impressive program with Carl "Doc" Severinsen, a popular recording artist and trumpeter with the NBC Orchestra. Together with the choral groups, the Band and Orchestra received top ratings from every judge in the large group contest. The Eagles instrumentals were the only winners of a superior grade.

The Concert Band formed a sophisticated marching unit, participating in the Hazel Dell, Santa Claus and Shelton Forest Festival Parades. Leading the musicians were Drum Major Steve Horenstein and Majorettes Carole Collett and Kathy Morrison. During the gridiron season the Bay Band built spirit with its sound and provided half-time entertainment at home games. The Pep Band devoted its time to promoting enthusiasm at pep assemblies and basketball contests.

The excellence of the instrumental groups was partly attributed to Mr. Don Cammack's ability to select and interpret music.

Selected to the All-State Band and Orchestra are, left to right, Bill Dudley, Terry Clark, Jim Smith, Cathy Strong and Tom Thompson.

Directed by Mr. Don Cammack and led by Ellie Grill, thirty-four sophomore, junior and senior girls practiced long hours to perfect precision drills and dance routines. Dressed in the McLoughlin plaid tartan, the Bayonettes sold programs at home football games, entertained basketball audiences and performed during a pigskin half-time at Pacific University in Forest Grove. The Bayonettes also accompanied the Bay Band in the Hazel Dell and Santa Claus Parades. Climaxing their activities, the high-steppers marched off with first place for their interpretation of the Can Can in Shelton's Forest Festival Parade.

STUDENT CENTER

With the Student Center as Bay's biggest project this year, much progress was made through the dedicated work done by both faculty and students. Every Saturday morning last fall there were work parties and tons of dirt was hauled from the "hole" under the 300 wing. Using a dump truck lent by Bruce Overbay's father, the Bay workers removed enough dirt to lower the entire ground level by more than three feet. The Student Board of Governors spent many hours in just planning what was to be done. They were always busy setting up work parties, and helping select all the needed furnishings. Mr. Don Carlson, Mr. Bill Click, Mr. Everett Cox, Mr. Irvin Jolliver, Mr. Len Suckling, and Mr. Don Whyte donated much of their time supervising the Saturday work parties. The Dads' Club contributed to the Center by giving their money to buy the lighting and pay for the pouring of cement. The senior class donated the wood paneling and floor tile as their gift to the school.

Aquila works for perfection

Sue Young
Editor-in-Chief

Miss Jayne Walsh
Adviser

The 1966 Aquila staff was composed of 12 seniors and 2 returning juniors from last year's staff. Since almost all the staff had no experience in this type of work, several attended yearbook conferences in Portland, Seattle and Pasco in order to gain new ideas in layouts, cover design and copy writing.

The staff as a whole worked very diligently, spending many hours after school doing and redoing most of the pages several times to achieve perfection. For every completed page it was necessary to have pictures set up, sort through proofs, design layouts, and write copy and headlines. The end result of this effort was the 1966 Aquila.

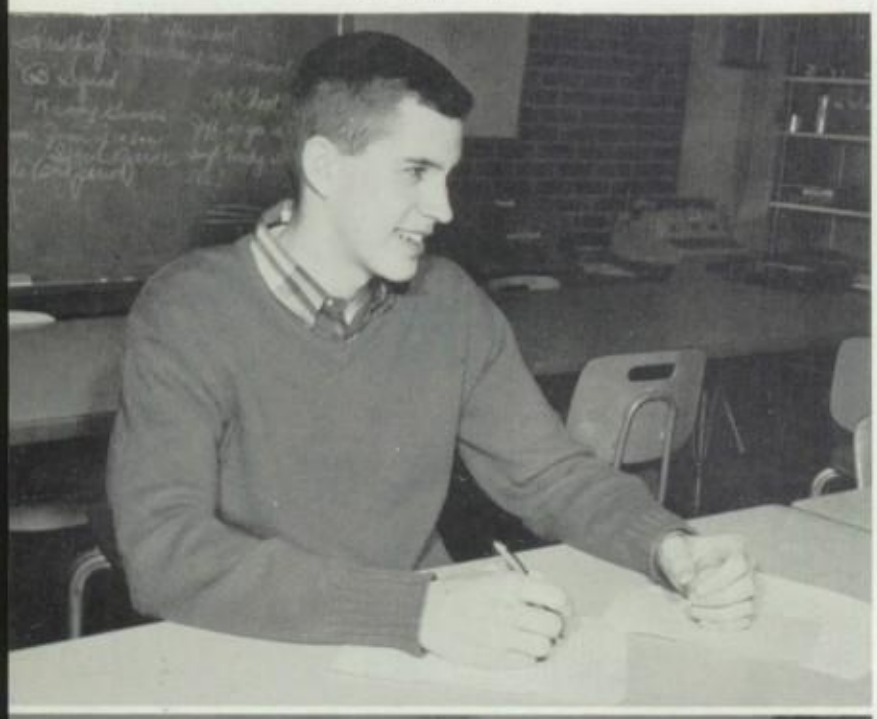
Paper staff publishes 16 issues

Steve Pierce
Editor-in-Chief



This year's Bay Window staff was assisted in putting out more than 1350 copies of the school newspaper by a newly formed journalism class. The students from this class solicited ads and wrote the less important stories, thus enabling the regular staff members to cover the major events and to plan the paper's contents.

Many hours were spent in the publication room during and after school, writing, editing, typing and pasting up the copy before each of the 16 issues went to press. Included in this process was writing headlines, which were then printed at the Clark College print shop. The paper itself was printed downtown by an offset process.

Sophomores tried hard in the car-decorating contest, but the juniors won.

Homecoming 1965 started out with its usual enthusiasm. Pre-game activities included the car-decorating contest, a junior win; the car-piling contest, a sophomore win; and the traditional bonfire.

"This time of Year", the Homecoming theme, was carried out at the dance by multi-colored leaves and silhouettes of football players, which were created by the art department. Rickie Alexander, chosen by the seniors to reign over the festivities as Queen, was surrounded by her lovely court, Annie Avery, Kay Hunze, Barb Peters and Connie Quick.

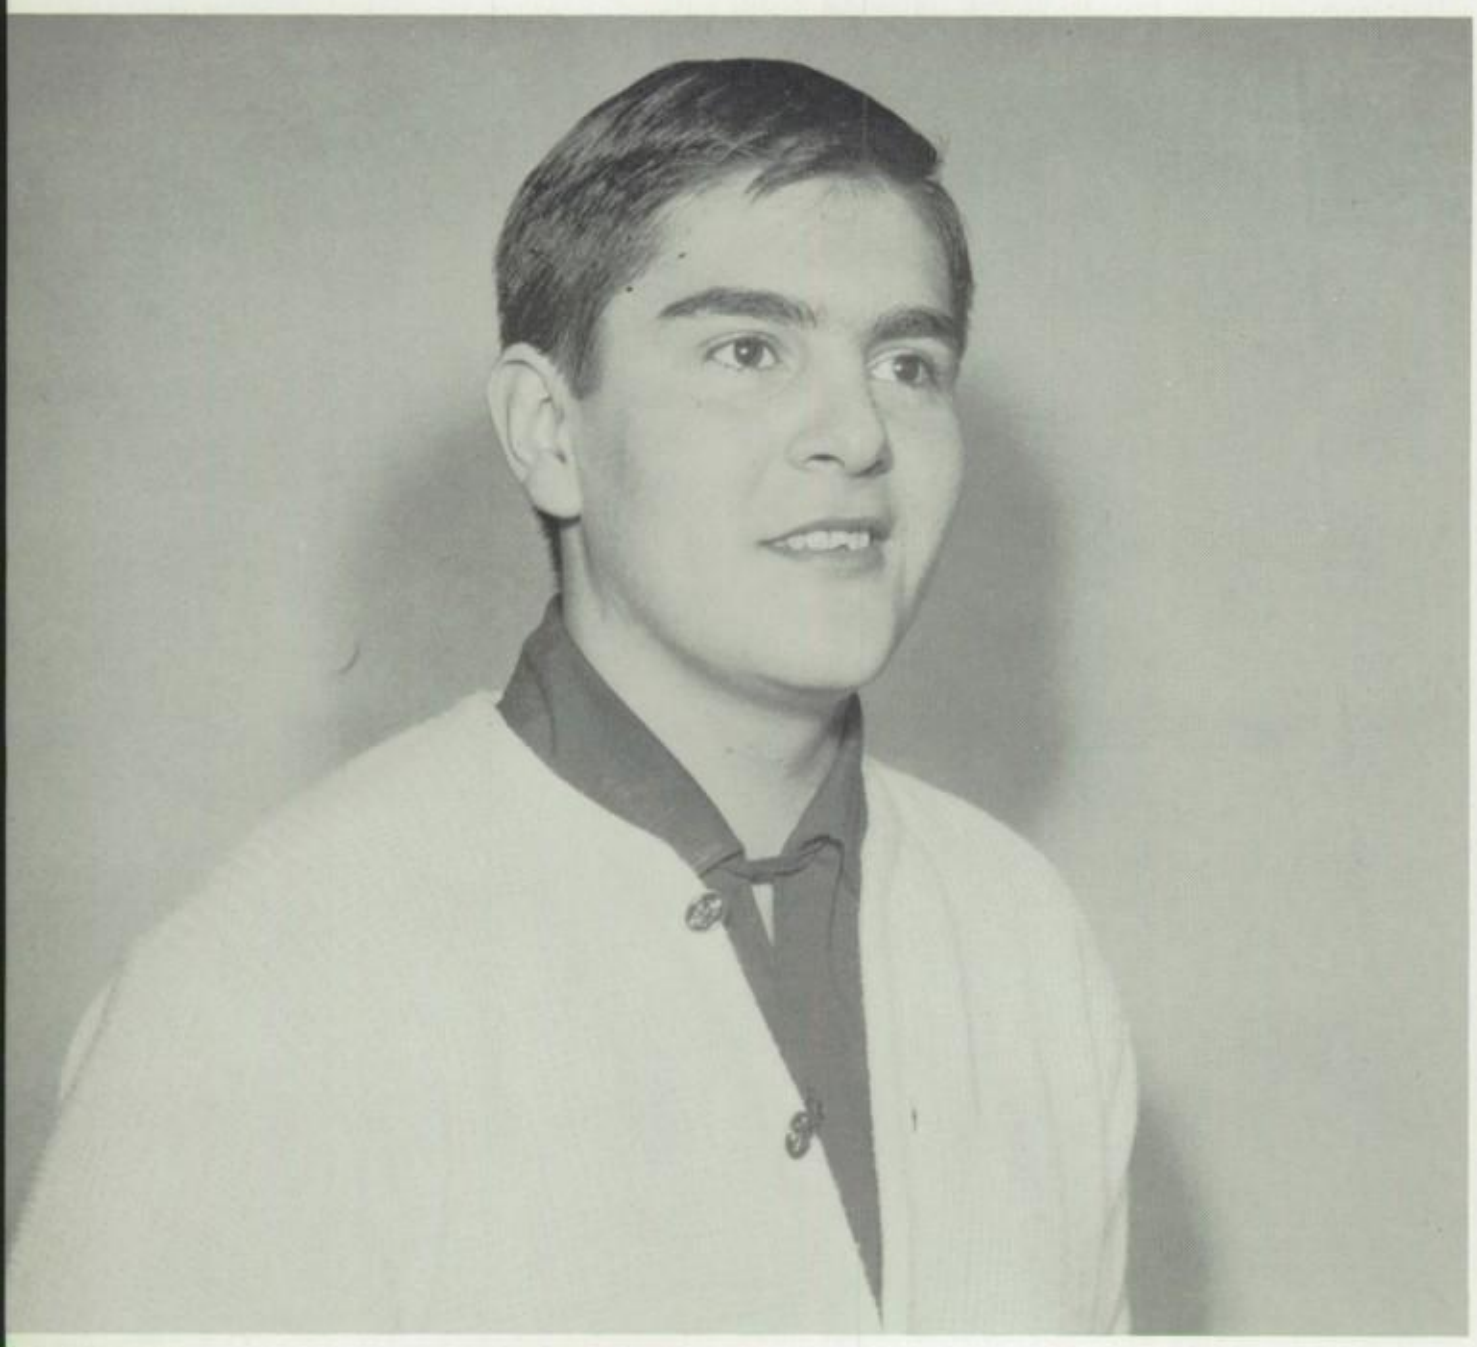
Victor extends invitation to students



Victor Rehnfeldt was Bay's exchange student from Paraguay.

I am from a country in the heart of South America, called Paraguay. My home town is Villarrica, which is almost as populated as Vancouver.

When I just got here in August, I felt I was dreaming for I had at last fulfilled my desire to come to the US, and everything was so different, that I thought I had been transported from one world to another very different one...

...My first day at Hudson's Bay was a day of total confusion. This was a result of my inability to speak very much English; also the size of the student body and the school was very much greater than my school in Villarrica, but the kindness and consideration of the students quickly got me over my confusion and anxiety...

...for me, this year has been very exciting and fun-filled. I shall never forget the many wonderful friends, strange customs, and happy times that I have experienced here in Vancouver. I hope one day to return, or even better, that you come to my country and be my guest, as I have been yours here...

Class spreads wings

The Class of '68 flew through numerous activities throughout the 1965-66 school year.

In September the sophomores were starting to feel a part of Hudson's Bay and by selling concessions at football games, they gained an interest in Bay and started their treasury account. Among their activities, campus clean-up was the biggest of their responsibilities and hardest to get started. They felt the poster contest was a much more enjoyable and rewarding activity, giving them second-place in the class competition.

Juniors soar

The Junior Class showed their ingenuity in their selection of the theme "I'm an American" for the annual Thanksgiving assembly. Featured guest speaker, Mr. John Salisbury of KXL radio station spoke on Americanism and patriotism. The Bay choir sang and the Armed Forces contributed their color guard.

Juniors participated in Bay sports by comprising more than half of the football team and by dominating the varsity basketball squad. Other classmates played an integral part on the track, cross country and baseball teams. The Class of '67 came up with the original idea for Bay of a flash card section, 320 strong, and added a spirit to pep assemblies by spelling out "BAY", "GO" and "HB".

Junior-Senior Prom theme, "Sayonara", turned out to be a big success and the slim victory of 19 cents over the seniors in the UGN drive made this school year one of great accomplishment for the juniors.

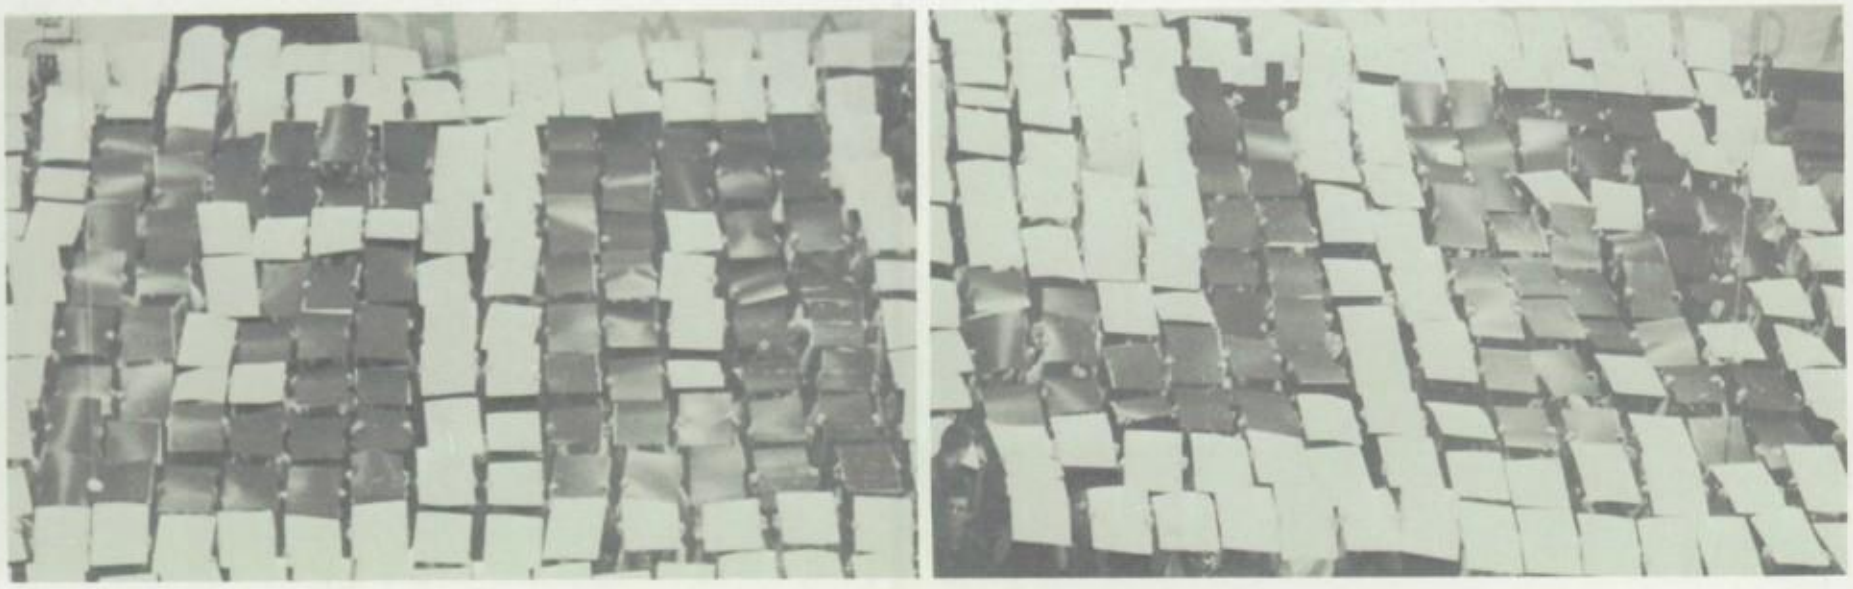
Juniors (ABOVE) representing Hudson's Bay in the National Essay contest are, top row left to right, Paul Woolery and Rick Vogt; bottom, Denise Spicer. Juniors (LEFT) pay close attention at a class assembly.

Roxanna Day enjoys Florida's finest.

Mike Veach, left, and Gay Stewart, right, study hard in math class.

A unique idea.



SENIORS

Flying airplanes (ABOVE) is one of Mr. Don Generaux's favorite hobbies while growing flowers (RIGHT) occupies many of Mrs. Virginia Richards' after-school hours.

Seniors obtain success

"Successful" could be used to describe this year's Senior Class led by president Jerry Joshua and greatly aided by counselors Mrs. Virginia Richards and Mr. Don Generaux. The class' first major project, mum making, was an overwhelming success in that the demand for the mums exceeded the available supply.

As football season started, the seniors began boosting school spirit by selling stickers. During basketball season they began a new innovation, selling black ribbons with gold lettering. The seniors also showed their strong school spirit by winning the annual poster contest promoting the Bay-Fort game.

The most important and successful project adopted by the Senior Class was finishing the new Student Center, which they accomplished through much hard work in the center itself, and also by producing two, one-act plays, "Egad, What a Cad!" and "You, the Jury," with the proceeds going to the Student Center.

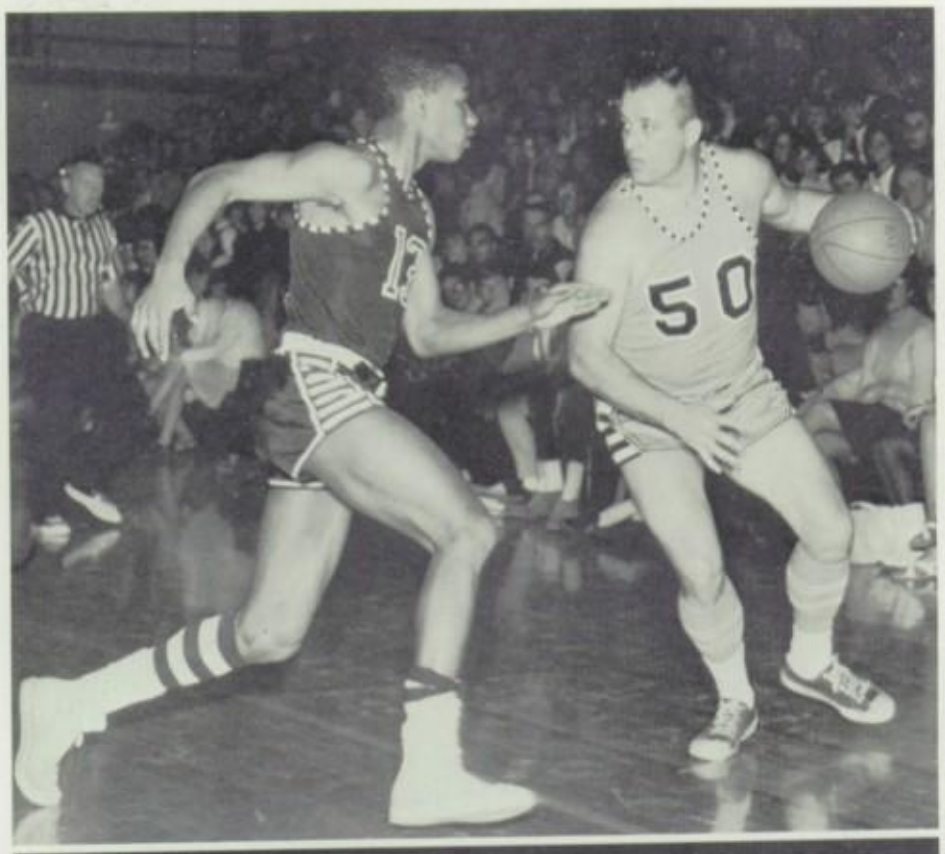
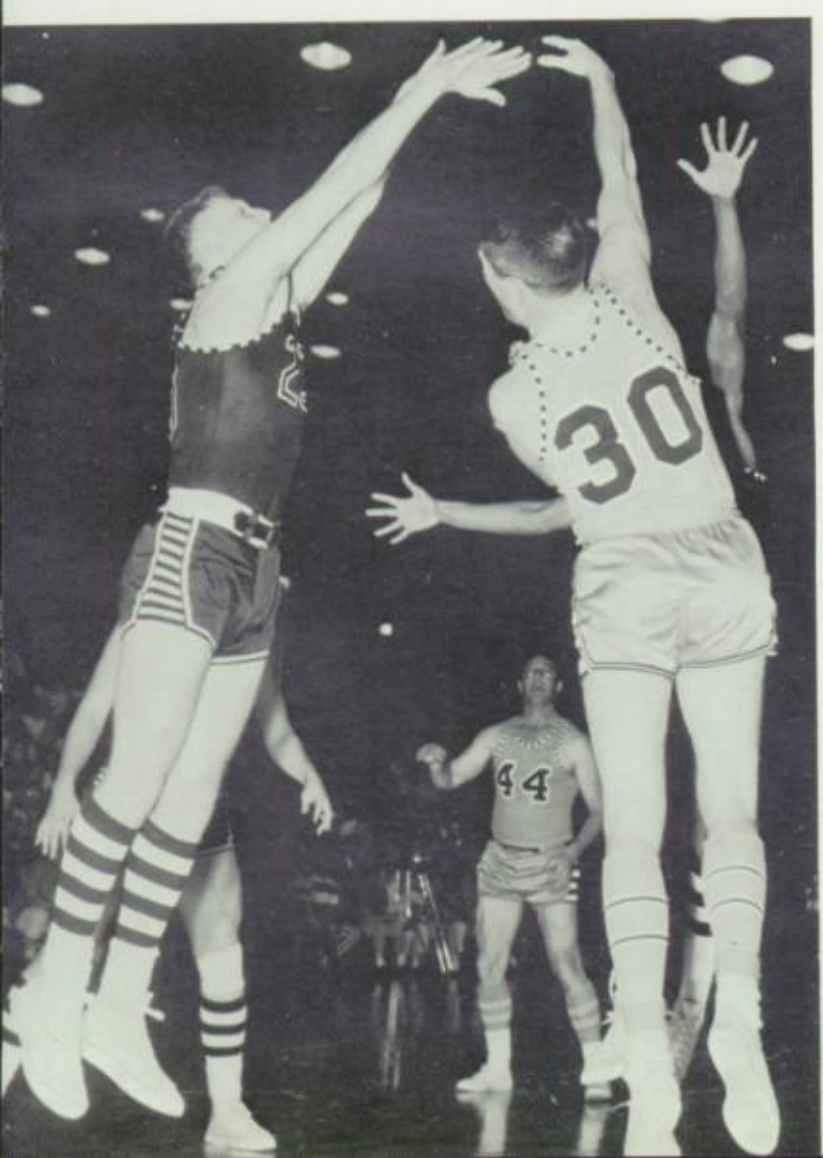
FACULTY SENIOR GAME



Arms and legs s went flying when Tom Erickson (23) tried to block a shot by Mr. Bill Click (30) while Mr. Bert Allinger (44) watches in the background.



During the game the faculty used unusual techniques in their attempt to win. Mr. Ed Ellison (50) had a staredown (TOP RIGHT) with his opponent Curt Nettles (13), while (MIDDLE) Mr. Jim Monasmith (24) attempted to outdo Dave Waller's (11) ballet. Astonished, Mr. Ellison (50), Mr. Bert Allinger (44), Dave Polk (51), Don McPherson (31) and Mr. Don Iverson (32) look at their talent. (RIGHT) Mr. Iverson finally resorted to force with a half-Nelson on Tony Tosti as Nettles (13) and Polk (51) fought for the ball and Mr. Bill Click (30) stood waiting.

Nick Secrest, left, and Greg Martin demonstrated the skateboarding fad.

As sophomores, campus clean-up left something to be desired for, left to right, Katie Craford, Dave Zorn, Dyann Funkhouser, Mike Sherman, Vickie Yoakam and Paul Meade.

Conversation buzzed as Mrs. Virginia Richards, lower left, and the seniors awaited instructions at farewell assembly practice.

Kathy Thomas, lower left, screamed, "Was this in the script?" when Tim Garside, next to her, painted her face. Drowning out with laughter Tony Tosti's "That's my wall!" were, standing left, Jim Brown and, kneeling left to right, Dave Thorn, Carole Collett , Jock Demme, Julie Neth, Laurie Buchman and Joann Upton.

FAREWELL ASSEMBLY

"We're all together again, and who knows when we'll be all together again," ran through the seniors' minds at the assembly's end.

Students select Hal and Bea

The Harold Hudson-Betsy Bay Program honored 18 students of outstanding merit in certain aspects of Bay's school life. Based upon a particular theme for every month, a Hal and a Bea were nominated by each advisory and from these selections the Hal and Bea Committee announced the boy and girl of that month.

Mr. Irvin Jolliver and Mrs. Margaret Rogers advised this year's committee which consisted of Mary Carpenter, chairman; Margie Betzing, reporter; Tim Garside, Connie Quick and Toni Tosti, members.

Harold Hudson and Betsy Bay of the year were selected on the basis of friendship, enthusiasm, kindness, humor, politeness, responsibility, sincerity, ambition and service which were the bases for the monthly selections.
